

Centered Header	Default Aligned	Right Aligned	Left Aligned
First and Second	suchnes row	ses row 5.0	12.0 Example of a row that spans multiple lines. Here's another one. Note that the blank line might have some interesting stuff to tell us because something has clearly gone terribly wrong with how this stuff all works and all of that good things and ness

Table 1: Here's the caption. It, too, may span multiple lines.
